

MINI HYBRID

The Mini Hybrid from Colder

integrates air lines and electronics into a compact, single connection point for remote tools on medical devices and equipment, reducing misconnections and enhancing patient therapy outcomes. Based on Colder's unique Hybrid Connector technology, the valved Mini Hybrid has a smaller form factor and is ideal for use in low-pressure applications where ease of use and ergonomics are important. This groundbreaking connector technology eliminates the need for multiple connections and allows clinicians or therapy patients to quickly and easily change or replace modular tools, umbilicals or hand pieces that require power, signal and gases.

Features

Single connection point for air and power connections between a device and its controller

Easy-to-use breakaway design

Valve on panel mount side

Turnkey solution

Off-the-shelf assembly

Custom options available

Benefits

Increases safety and makes systems more user friendly

Quick, automatic disconnect

Prevents loss of pressure upon disconnect

Reduces multiple components

Minimizes engineering design and manufacturing effort

Meets your unique requirements

from complex to simple

BREAKAWAY DESIGN
Disconnects when pull force is applied without pressing a latch, allowing users to make a clean, fast break.

Product Dimensions

Connector Specifications

Pressure: Vacuum to 25 psi, 1.7 bar

Temperature: 40°F to 80°F
(4°C to 26°C)

Materials:

External coupler components: PET

Air coupler components: Acetal

Springs: Stainless steel

Panel Mount Nut: Zinc-plated steel

Electrical contacts: Gold-plated brass

Air line: PVC

External umbilical hose: 4 feet
(1219.2mm) PVC

Wire: 22AWG PVC jacket

O-rings: Buna-N

Color: Gray with gray hose

Terminations:

Panel: 1/16" (1.6mm) hose barb and
two 22AWG wires with 11" (279.4mm)
pigtail

Umbilical: 1/16" (1.6mm) ID PVC tube
and two 22AWG wires with 3" (76.2mm)
pigtail

Number of air lines: 1

Electrical Specifications

Voltage: Up to 24VDC

Current: Up to 3 Amps

Wire: 22AWG with PVC jacket

Number of contacts: 2
